Bios and Headshots

Every member of LO Thespian productions get to include a few sentences about themselves in our lobby display and program for the show. This should include how long you have been participating in performing arts, how many shows you have worked on at LO and otherwise, and any other information you wish to include.

Keep in mind that through these bios you represent our troupe. These will be proofread and potentially edited to ensure you are showing the best of the troupe.

The Publicity Crew will organize the taking of headshots during rehearsal time. These headshots will accompany each company member's bio in the show's lobby display and program.

Your Bio needs to be typed in 3rd Person and emailed to LakeOrionTheatreBoosters@gmail.com by March 27.

No Late Bios will be accepted.

Dinners

One of the most stressful times in our production is Tech week and Dress rehearsals. During that time rehearsal will run very late. The Boosters will be organizing meals on those days where rehearsal runs until 8pm. **In order to allow this to be a tradition that continues we ask that everyone involved in the show pay \$20 toward the fund to feed all the students.** Boosters will be providing 4 meals that will be delicious and nutritious so that we can all ensure our students are not just eating chips and candy to get through the long nights.

All funds are due by Friday, March 27.
