Cost for this production:

These costs go towards deferring the cost of the makeup and costume cleaning for individuals participating in the cast of this production. The food cost will be for when we have full production dinners during the long tech and dress rehearsal days. Students will be fed an appropriate and nutritious meal that considers any dietary restrictions of the individual students.

Students have been casted to fit characters, which sometimes include physical characteristics, please check before making any major alterations to hair, piercings or tattoos after casting is done.

During Rehearsals:

1. Cell phones and other electronic devices need to be kept off stage. Students need to be focused at all times on the rehearsal process. Students must either leave their phones with their supplies or they may leave it with the stage manager. Cell phones should not be left on stage without strict permission from the director and/or stage manager. Penalties may be enforced if students repeatedly break this rule.
2. Actors/Techs will arrive 10 minutes prior to call. Call time means that is when rehearsal starts, not when you are walking in the door and finishing your food.
3. If you expect to be late for a call, contact both the stage manager and the director. Conflicts should be communicated to the stage manager in writing at least 24 hours in advance.
4. Attend all rehearsals as listed on rehearsal schedule. Since casting decisions are based in part on the availability of the actor to attend rehearsal, absences due to sports games, vacations, medical appointments, tutoring, etc. will be considered only if they are listed on the actor's audition form or given in *significant* advance notice. In the event of a legitimate absence, actor will notify and remind the stage manager and director one day in advance and give a marked script to the stage manager.
5. If you are sick, please stay home and get better. We need you healthy and for the rest of the cast to not get sick.
6. You must be at school to be at rehearsal. Only students with school approved absences are allowed to attend rehearsals and events
7. All student actors and technicians must be in good standing with the school with no major discipline problems.
8. Actors/Techies will prepare for rehearsal by learning all lines, stage duties and blocking, by the deadlines noted in the schedule. This includes you rehearsing on your own time at home.
9. During rehearsals, you should be on stage or in the first few rows of the theatre unless you are directed otherwise. Do not wander into the classroom or other areas of the theatre, when we need you on stage you should be ready. Students are not to hang out in the backstage area. All special guests must be cleared with the stage manager and they are to wait in the house and not be a distraction unless otherwise directed by the teacher.
10. Actors/Techies will not eat or drink (bottled water is fine) anywhere in the theatre unless permission is given. GUM CHEWING IS NOT ALLOWED DURING REHEARSALS OR PERFORMANCES. A

special area will be set up for food, food should not be brought out of that area. **DO NOT EAT ON SET OR IN COSTUME.**

11. Actors/Techs will help clean the theatre on a regular basis. Schedules will be set in advance by stage manager and the Set Head.
12. Actors/Techs will attend rehearsals fully prepared with materials needed (scripts, pencils, personal props, character shoes, etc.) and wear non-restricting attire. Be prepared to change attire if directed.
13. Student actors and technicians are Students first. Students must keep their grades up throughout a show. If a student is not being directed during a rehearsal they can spend that time on homework. Grade checks will be performed at least once before the shows, all students are expected to have a 2.0 average at the time of the grade check. If a student is below a 2.0, they cannot attend rehearsal until the grades are above a 2.0. These absences will be considered unexcused. Any student with an F will be placed on probation until the F is brought up. If the F is not brought up within a week, the student will be withdrawn from the production.
14. Actors assume the responsibility for care of all scripts, personal properties, and costumes assigned. Costumes, once issued to student, must be hung up and properly cared for, or student will receive school obligation form for a \$1.00 fee for not taking care of costumes for each instance. Student agrees to assist with making costumes when requested, and agrees to purchase undergarments, leotards and/or dance shoes as required. School obligation forms will be issued for borrowed or rented materials, costumes, etc. damaged or not returned.

Remain backstage or in the Greenroom for the duration of the performance, including intermission. This includes keeping out of the catwalks, light booth, outside, etc. Likewise, guests are not permitted backstage or in the Greenroom, even family or friends.
